Vendor Information

We strive to exceed the expectations of all participants of Kammy's Kause - this includes our approved vendors. We have had great success. We believe the satisfaction of our vendors, specifically, is primarily due to our decision to invite a very limited, number of vendors that are unique, diverse from one another and with a mission, image & brand that is fitting for our event.

We do not require any percentage of our vendor's profits to be donated to the Kause. The fees our approved vendors pay are based on a flat rate for the entire weekend which includes electricity* and are based on type of vendor space. The flat rate for all commercial/business vendors is \$100. The flat rate for all food vendors is \$200. Understanding that this may work for our current vendors, but maybe not for you, we may consider a customized plan.

If you would like to further pursue space the weekend of our event (Friday, August 18th and/or Saturday, August 19th) we ask that you provide us with the following information as soon as possible so that our committee may review. Upon approval we will have a contract for you to review, sign and return with payment no later than August 1st.
