

## CORNHOLE RULES

- 2 teams with 2 players on each team – games are played to 21 points – MUST WIN BY 2 POINTS
- A team CAN go over 21 points without being penalized.
- Cornhole will be a best of 3 series. Meaning, the first team to win 2 games advances to the next round.
- A coin toss will determine if a team chooses which pitching box (see image below) they want or if they want to throw first.
- Throwing order and sides will alternate after each game. Players will stay in their same pitching boxes but will trade sides.
- Your teammate must stand directly across from you during the entirety of the game.
- Teams will alternate throwing their bags (one at a time) until all 8 bags have been thrown.
- Scoring is simple. After all bags have been thrown, a bag remaining on the board is worth 1 point. A bag that went in the hole is worth 3 points. Add up how many points you earned and compare them to your opponents. Equal points cancel each other out so that only one team can score per round.
- Any bag that is touching the ground, regardless of how much of the bag is on the board, will be removed immediately and not count as a score.
- Any bag that bounces off the ground and onto the board will be removed immediately and not count as a score.
- In the event of a game 3, the game will be played to 15 points – MUST WIN BY 2 POINTS
